THE ACADEMY PROGRAM
Learn, experience, travel and have fun

Designed by top chefs and industry experts, the course combines extensive hands-on training with paid international industry placements at fine restaurants and well known luxury hotels and resorts.

The two-year culinary education course consists of the following:

| | |
|-------------|--------------------|
| 20 weeks | Academy training |
| 20 weeks | Industry placement |
| 20 weeks | Academy training |
| 20-40 weeks | Industry placement |

FINANCE your studies at HRC Culinary Academy

It is the academy's mission to provide high-quality and affordable culinary education. You can finance your studies in several ways:

- Scholarships for 90 % of the students
- Paid international industry placements
- Government secured student loans for students from EU countries

INTERNSHIPS on 4 continents
Experience Europe, the Middle East, Africa and the USA all at once!

Studying at HRC Culinary Academy gave me a great opportunity to study and train at one of the best restaurants and locations in Europe and USA.

I learned a lot, had very good experience and now work in an environment where I can put my knowledge and experience into practice.

Victor Zhechev
Class 2010
